

Consultation about disability benefits

**Do you have a learning disability?
Have you applied for disability benefits?
Are you getting disability benefits?**

If you answered 'Yes' then The Scottish Government wants to hear your views on disability payments.

SCLD is having a meeting to make sure that people with learning disabilities get to say what they think. SCLD will take your views and tell the Scottish Government what you think.

This events are for people with learning disabilities and the people who support them to claim their benefits. This could be a family member, a friend, an advocate or a support worker.

Please come along and tell us about how you want to see the new benefits system working. Tea and coffee will be provided.
