

# 2021

## Scottish Learning Disability Week

Monday 10th - Sunday 16th May

# Relationships

Scotland's national Learning Disability Week will take place from Monday 10th - Sunday 16th May 2021.

This year's theme is 'Relationships' and we want to use the Week to focus on the importance of having other people in our lives, whether that be as neighbours, colleagues, friends, family or a romantic partner - relationships matter!

Find out how you can get involved and get your hands on a Get Involved Pack at: [www.sclid.org.uk](http://www.sclid.org.uk)
